EXECUTIVE OVERVIEW

EXECUTIVE PROFILE

YERDEN MUKHAMETOV

Founder & Managing Partner

SASSA Group

Yerden Mukhametov is the Founder & Managing Partner of SASSA Group, an international commodities and strategic execution-focused group operating across global trade corridors, industrial supply chains, and cross-border commercial operations.

The group's activities are centered around operational execution, commodity sourcing, logistics coordination, industrial trade flows, and structured international transactions across metals, minerals, energy, and agricultural markets.

With a focus on execution-oriented operating models and corridor-based trade infrastructure, SASSA Group works across emerging and established markets, supporting the movement and coordination of industrial commodities through integrated commercial and operational frameworks.

STRATEGIC FOCUS

- International Commodities Operations
- Strategic Execution & Trade Structuring
- Industrial Supply Chains
- Cross-Border Commercial Operations
- Commodity Logistics & Coordination
- Global Trade Corridors
- Operational Infrastructure & Market Access

OPERATIONAL AREAS

Metals & Minerals

Iron ore, industrial minerals, strategic sourcing, aggregation, and export-oriented operations.

Energy

Cross-border commercial coordination and commodity-related trade execution.

Agricultural Commodities

Trade flow coordination and strategic market connectivity across selected regions.

EXECUTION APPROACH

SASSA Group operates with a focus on structured execution, operational coordination, strategic sourcing, and long-term commercial positioning across industrial commodity markets.

The group's operational philosophy emphasizes disciplined execution, cross-border connectivity, institutional consistency, and long-term infrastructure-oriented trade frameworks across international corridors.
