

ЕРДЕН МУХАМЕТОВ

YERDEN MUKHAMETOV

FOUNDER & MANAGING
DIRECTOR

Yerden Mukhametov is the Founder and Managing Director of SASSA Group, an international commodity trading and strategic advisory firm based in Dubai, United Arab Emirates.

Mr. Mukhametov has built his career across international commodity trading, logistics, industrial services, corporate development, and cross-border commercial execution. His expertise includes commercial structuring, strategic partnerships, international logistics, contract execution, and cross-border supply chain development.

Throughout his career, he has contributed to commercial initiatives across Central Asia, the Middle East, Latin America, and Asia, working with producers, industrial companies, investors, logistics providers, and international trading partners.

At SASSA Group, Mr. Mukhametov leads corporate strategy, international partnerships, investment relations, and the development of long-term commodity supply platforms. His work focuses on originating, structuring, and executing cross-border commodity transactions across international markets., and sustainable international business development.
